# **Homework 1 – Passwords**

Your task is to design a poster about passwords. You should include:

- What is a password?
- Why do we use passwords?
- What can be password protected?
- Risks of not password protecting
- What makes a strong password

Hand in your work on a separate piece of paper that you should fold and put inside this booklet.

## **Homework 2 – E-Mail Etiquette**

**1.**What is E-Mail Etiquette?

**2.**Design a poster about E-Mail Etiquette. On your poster say what things you should and should not do on email.

Hand in your work on a separate piece of paper that you should fold and put inside this booklet.
