# Homework 1: In Their Shoes

There are a few students with some sticky situations going on. They need your help and advice on what to do next. Put yourself in their shoes, what would you do? Answer in full sentences and explain why you would make those decisions.

Situation	What would you do if this happened?	Extra Challenge Another view:
Bob clicks on a link and find a site with unsuitable content.	Switch your monitor off. Tell your parents – they can block the site and check your computer for viruses which might have been downloaded.	
A site asks Steph to register and give her personal details.		
Elle receives an email telling her that she has won £500 in a competition that she doesn't remember entering.		
Emily finds a site which has lots of free games to download.		
George gets an email from a stranger which contains an attachment.		
Liam started to get rude, abusive texts and emails from a friend.		
Nick started to get rude, abusive texts and emails from a stranger		

## Extra Challenge:

Have you ever had to make a decision like this? Who would you go to, to help you make your next steps?

Speak to another student, teacher or parent (someone you trust) and ask them if they would do anything differently. Let them read over your answers and possibly make them better.

# Homework 2: The Dangers of Instagram and Snapchat

Snapchat and Instagram are great right? This task will ask you to research the following apps, as you're restricted on the school network, we have given you a website which is suitable to do your research from.

Type: [www.bbc.co.uk](http://www.bbc.co.uk) into your browser. Search for ... and use this to help with your answers.

Instagram	Snapchat
What is Instagram?	What is Snapchat?
Does it have any age restrictions?	Does it have any age restrictions?
Is it possible for you to be cyber bullied on Instagram? How?	Is it possible for you to be cyber bullied on Snapchat? How?
Can you be contacted by strangers on Instagram?	Can you be contacted by strangers on Snapchat?
Can you make your profile private?	Can you make your profile private?
What is Instagram Direct?	What is Snapchat Ghost mode?
What risks are there when you share your location on Instagram?	What risks are there when you share your location on Snapchat?

# Homework 3: Being Safe and Finding Help

Research and provide explanations in your own words for the following key terms:

Digital footprint	
Computer virus	
Hacker	
Malware	
DDOS attack	
Trojan	
Phishing	
RansomWare	

Find three useful websites relating to e-safety. List 3 of these below and outline the type of information which can be found there and what age group you think they are intended for.

Web address	Age group	What information can you find there?
